why it is so expensive :-

- The work carried out will be undertaken by an appropriately qualified person.
- The fee includes time for us meeting the client and running through their requirements and they receive the benefit of advice applicable to their circumstances.
- The fee includes provision of a draft for our client to check through to ensure that the documents meet their requirements in every respect.
- We provide witnesses to the Will to ensure that it is signed correctly.
- LPA(s) constitute a very large number of pages all of which have to be considered and completed as appropriate.
- LPA(s) will normally require a second meeting to go through the forms and sign them with us providing witnesses where appropriate.
- LPA(s) include corresponding with Attorney(s) (if required).
- LPA(s) include registration of the documents with the Office of the Public Guardian.
